Family Discussion Opportunity:

Make it as dark as possible in the room, turn the lights off, draw the curtains if there are any.

When it is dark, we switch the light on, like this. (Switch on your lamp or torch.)

What would happen if we cover the light up with something? (Cover the lamp with a bucket or blanket to show what a difference it makes)

If we uncover the light, we will be able to see much better and it won't be so dark anymore. Just like this. (Uncover the lamp)

In the Gospel reading this week, Jesus tells us that we are like light to the world. What do you think this means?

We are asked to do good things – to help others and live as God wants us to. In this way, we can let our light shine in people's sight. When they see our good works, they will praise God. Through the things that we do, other people will know how good God is.

God loves everybody, no matter where in the world they are from, whether they are rich or poor. God asks us to do the same because we are all members of the same global family.

What do you think we can do to show other people that we care about them?

If we love other people and do what we can to help them, then other people will see how great God's love is. We will be like the light that shines and is not covered up, so that everyone can see.

How will you be like a shining light this week?

12th February Year 6 and Reception Class Mass at 9:30am

Dear Families,

Celebrating our pupils' achievements and learning . . .

In Year 3, we've been studying the Parable of the Leaven. Our Y3 children of the day went to the school kitchen to make some dough. They brought the dough back for us to see. A couple of hours later, we observed how the dough increased in size. Mrs Cookie said the yeast was the most

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any parent have a concern regarding a child's wellbeing, please inform the school's Designated Safeguarding Officers: Mrs. Child, Mrs. Edwards, Miss Annely and Mrs. Bowman.

important ingredient and this is what made the dough grow. Just like the small yeast made a huge difference, we can have an incredible impact on the Kingdom of God by being kind and helpful. At the end of the day, Mrs Cookie

brought us the cooked bread into class to taste. It was delicious!

Year 6 are continuing their learning about WWII and the children are still very much engaged. Zed brought in his coin collection and Jasper brought in his great-grandfather's medals and military service book.

Message from School Council

Your School Council has made some exciting purchases recently, with money that has been raised by all of you wonderful people and your contributions. The student voice said they would like some go-karts and diddy cars for lunchtimes, so

we have purchased 3 go-karts and 10 diddy cars for all to enjoy.

It looks as though they have brought lots of added fun to lunchtimes already - for both the children and the staff!

We also gave £200 to each year group to purchase whatever their children needed. This has varied, ranging from lots of new and exciting books, to games for wet play and sports equipment, so a big thank you to all for your contributions.

Please remember that the deadline to buy your Valentine's roses is Wednesday 11th February. You can either pop on to Wisepay and order a rose for your child, to be delivered to them on Friday 13th, pop into the school office; or children can purchase roses every break time from our Year 6 team on the playground. All profits will go towards revamping our school library.

Thanks to those who are using easyfundraising. To be honest, it has been a little disappointing with the uptake. Lots of us purchase many things online now, but by just going through the easyfundraising link - or having the pop up to remind you to click donate - could be raising funds for our school that literally do not cost you a penny! We'd be mad not to! So please do click on the link below and give it a go. No one can see what you have purchased, we just receive a donation from the company you have purchased from. Please give it a go if purchasing your book from the Amazon lists for our Donate a book scheme.

https://www.easyfundraising.org.uk/support-a-good-cause/step-1/?char=413723&invite=bnhl17&referral-campaign=c2s&utm_campaign=web-referral

Thanks again for your continued support for all of our children. You really are making a difference.

Congratulations to Year 5 Yellow with 97.38% attendance this week!! Well done!

Every day at school counts, helping with learning, developing skills, and building friendships.

ready to start ordering food. Michael from Aspens will be in school on 9th February in the morning for anyone who is struggling or has any questions. Please make sure you have the app ready to go before we get to half term – we have one week left to get prepared.

NSPCC Number Day

Today we proudly took part in NSPCC Number Day, combining fun maths activities with fundraising to support the vital work of the NSPCC.

Students and staff came to school dressed in number-themed outfits, from football shirts and numbered clothes to creative costumes featuring digits and patterns. The colourful displays around the school helped create an exciting and positive atmosphere for learning. A big shout out to Paisley who came dressed as number 7 from the Number Blocks!

Throughout the day, the children enjoyed a range of number-based activities, including puzzles, games, problem-solving challenges, number art, and practical maths tasks. The activities encouraged children to develop their confidence with maths while having fun and working together.

NSPCC Number Day is about more than just maths. By taking part and making donations, our school is helping the NSPCC continue its essential work in protecting children and supporting families across the UK.

We would like to say a huge thank you to our pupils, families, and staff for their enthusiasm, generosity, and support. Thanks to everyone's efforts, Number Day was a fantastic success and a reminder that learning can be fun while also making a real difference.

World Book Day - 5th March

World Book Day is fast approaching and is always one of the children's favourite days of the year. This year, children can, if they wish, come to school dressed as their favourite character from a book or they can wear some pjs. There is no expectation for parents to be spending lots of money on costumes from the shops but if any parents need any help please do see your child's teacher for some ideas.

This year is the year of reading and we are having a big push on reading for pleasure in school so this day will be a fantastic day to really kick start a new love for reading. Miss Annely will be sharing some other ideas on how we would like to support our children's love for reading at school so please do keep an eye out on Dojo for these messages.

Welcome

Allow us to introduce ourselves - we are Premier Education, the dedicated team behind the breakfast and after school clubs at your school.

OUR CLUBS

The breakfast and after school clubs run every day the school is open. Our aim is to create an outstanding safe, secure, and fun environment that children and parents can trust.

Developing healthy lifestyles through active wraparound care sessions.

EXPERIENCE AND QUALITY

Premier Education has been successful in delivering high-quality provision in primary schools across the county for 20 years including physical education, holiday club care, and extra-curricular sessions in sport and non-sporting activities.

WRAPAROUND CARE SPECIALISTS

In the last five years, Premier Education has become experts in wraparound care, working closely with school improvement specialists B11. With our enhanced, wellrounded, "healthy active" offer, more and more schools are choosing Premier Education to support and run their wraparound provision.

FAQ's

As with anything new, we know that as a parent or carer you will have several questions. Below are a number of common FAQ's we have received when taking over at various settings over the past few years:

Q. We know Premier traditionally as a sports provider, what if my child isn't particularly sporty?

A. The care will not just be made up of sporting activities. We will have a mixture of staff who all have a lot of experience working with primary school children in similar environments. Sports, and performing arts Activity Professionals will work alongside our Play Workers, to ensure a wide range of other activities will be available each day, including sports, performing arts, free play, reading, cooking, arts & crafts plus more.

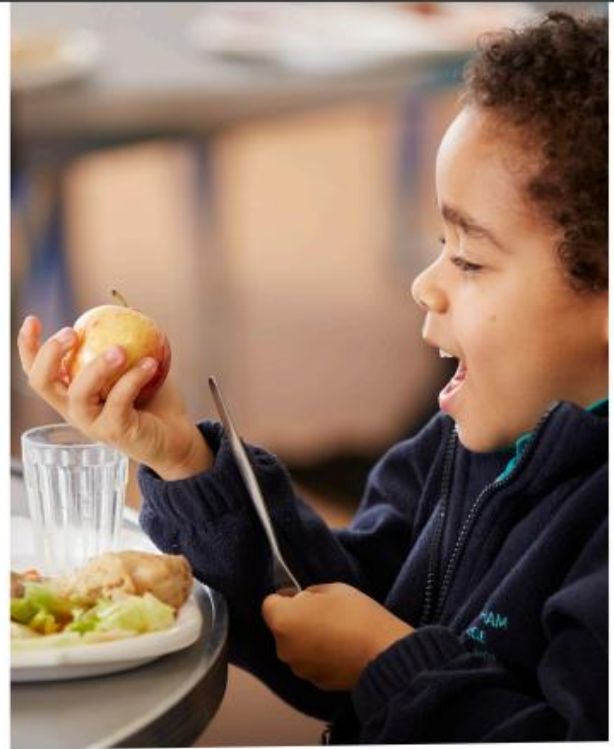

Q. Will Premier be taking payments via childcare vouchers?

A. Yes, we will be. As soon as we have our Ofsted registration number we can accept childcare vouchers against our wraparound services.

Q. What is 'Flexi Booking'?

A. Flexi booking is our unique insurance policy for parents if they need to change a booking. By paying £3.50 when making bookings, you will be able to receive a no questions asked refund if you need to cancel any sessions. One payment covers all bookings made at that time.
