THE MARCH FOR LIFE

The March for Life UK will take place in London on Saturday 7th September 2024.

There are many attempts at the moment to further liberalise abortion in the UK and to silence those offering any alternative viewpoint, whether that's 'pills by post' abortions, 'decriminalisation', buffer zones or censorship on pro-life students at universities.

The dangers of these situations are being highlighted by the theme for this year's March for Life which is 'Abortion isn't Healthcare'. Join thousands at this family-friendly event.
