Could you be a Foundation Governor in one of our Catholic Schools

The Diocese of East Anglia is responsible for 26 schools across the diocese. They all need foundation governors to provide support and challenge and oversight of the work of the school. We need more practising Catholics to put themselves forward to serve as foundation governors. If this is something you feel you might be able to contribute to (and full training and support will be provided) we would love to hear from you.

Please contact me, Andy Stone, Director of Schools' Service by email andy.stone@rcdea.org.uk or by phone on 07500701977 if this could be something of interest to you.
