Dear Families,

Year 2 Blue Class Assembly

On Wednesday, Year 2 Blue proudly shared their learning about Explorers in a wonderful class assembly that took the audience on a journey across oceans and through history. Families, staff, and pupils were treated to an exciting performance that celebrated the children's hard work and enthusiasm for their topic. The assembly shared their knowledge of famous explorers, as the children explained how brave adventurers travelled to discover new lands and routes around the world. Through clear narration the class demonstrated what they had been learning in their lessons. The children showed great confidence in their speaking, delivering their lines clearly and proudly. Many pupils also impressed the audience with their excellent acting! It was clear how much effort the children had put into preparing for the assembly. Year 2 Blue should be extremely proud of themselves for sharing their learning so confidently and creatively. Well done to all the pupils for such an engaging and memorable performance and thank you to all our parents and families who came to watch.

World Book Day 2026

World Book Day is always one of the most exciting and colourful days in our school calendar, and this year was no exception. Children and teachers came together to celebrate the joy of reading and the wonderful characters that bring stories to life.

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any parent have a concern regarding a child's wellbeing, please inform the school's Designated Safeguarding Officers: Mrs. Child, Mrs. Edwards, Miss Annelly and Mrs. Bowman.

Happy Birthday!

Year 6: Joshua, Yasmeen, Aleksa

Year 5: Jessica, Andrea

Year 4: Timas

Year 2: Luke

Reception: Chikaima,
Kamsiyochukwu

May God never stop showering

Throughout the day, classes took part in a variety of reading activities. Some students enjoyed quiet reading time with their favourite books, while others shared reading time with other year groups, drawing book covers, and participated in a story carousel. Teachers also read aloud to different classes from popular stories, helping everyone discover new books and authors.

World Book Day reminded us that reading is not only educational but also fun and inspiring. Books allow us to travel to new worlds, meet interesting characters, and learn new ideas. We hope the excitement from this special day continues to encourage everyone to read more and share their love of books.

A big thank you to all the students, teachers, and staff who helped make World Book Day such a memorable celebration. We are already looking forward to next year!

Please do donate a book to our library, if you haven't done so already, it is so lovely to see our collection growing with lots of new books for our children to read.

Thank you for your continued support in helping us inspire a lifelong love of reading.

To tie in with World Book Day, Year 3 had a fantastic trip to Gaywood Library, where they enjoyed a fun-filled morning surrounded by books. The children loved taking part in a book-themed scavenger hunt, exploring the shelves to find different stories and authors. They were excited to

check out a book using the self-scanning system, feeling very grown up as they borrowed their chosen reads. To finish the visit, everyone relaxed with a tasty snack while listening to some wonderful stories, making it a memorable and enjoyable experience for all.

Parents Evening

Parents' Evening is coming up very soon. Year 1, 2, 3, 4 and 6, you will be able to book your appointment through Class Dojo. For those of you who have children in year 5 and Reception, please book through your Class Teacher.

School Lunches

Please could you talk with your child about them eating their lunch at school. Unfortunately, many of our children receive their lunch and practically throw the whole plate of food into the bin, without even trying to eat it. Please could you make sure you sit with your child and book lunches with them so that they get a choice in what they are eating and know what they are having for lunch each day. Children should be sitting at the table and eating with cutlery. We see many children eating their food with their hands – even on a roast dinner day and this is not acceptable. Some children I have spoken to have said that they are eating their dinner in their bedroom. We are pleading to you as parents to model to your children how we should be eating so that table etiquette is improved and children

you with His blessing!

FAQ's

As with anything new, we know that as a parent or carer you will have several questions. Below are a number of common FAQ's we have received when taking over at various settings over the past few years:

Q. We know Premier traditionally as a sports provider, what if my child isn't particularly sporty?

A. The care will not just be made up of sporting activities. We will have a mixture of staff who all have a lot of experience working with primary school children in similar environments. Sports, and performing arts Activity Professionals will work alongside our Play Workers, to ensure a wide range of other activities will be available each day, including sports, performing arts, free play, reading, cooking, arts & crafts plus more.

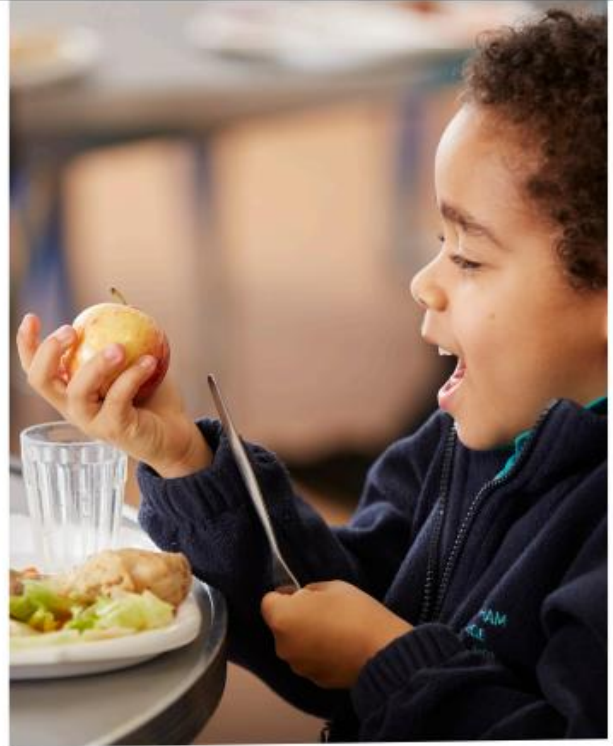

Q. Will Premier be taking payments via childcare vouchers?

A. Yes, we will be. As soon as we have our Ofsted registration number we can accept childcare vouchers against our wraparound services.

Q. What is 'Flexi Booking'?

A. Flexi booking is our unique insurance policy for parents if they need to change a booking. By paying £3.50 when making bookings, you will be able to receive a no questions asked refund if you need to cancel any sessions. One payment covers all bookings made at that time.
